SUBJECT: MINUTEMEN

DATE: 11/7/66

On 11/2/66, Investigator [redacted] NY State Police, Dover Plains, NY, volunteered that during the early part of the afternoon, on 11/1/66, a telephone call was received from HERBERT NICHOLS, age approximately 74, identified as the caretaker at Camp Webatuck located Wingdale, NY. NICHOLS reported some gallon jars of gasoline appearing to be a type of incendiary bombs located in some buildings on the Camp Webatuck property. A search by NY State Police and the caretaker located six glass gallon jugs, approximately 1/2 full of gasoline in various buildings at the camp. Inserted in 2 of the gallon jugs were homemade blasting caps attached to 4 flashlight batteries, plus a cheap type pocket watch with wire attached to the hands to make the electrical connection. The other 4 gallon jugs had a candle inserted at the neck with a finishing nail protruding through the candle. Extending from the candle was a wick or streamer leading down to the gasoline. Inside of these gallon jugs, floating on the gasoline was a small piece of foam rubber inside of which was an unknown caliber bullet.

Investigator [redacted] advised that all six jugs had been activated; however, the candles had burned out and there was no ignition or detonation. He also pointed out that one watch was still ticking, but the second watch was no longer running.

Investigator [ ] advised that an additional search of the property at Camp Webatuck was made on the morning of 11/2/66, and three additional gallon jugs, all of the candle type, were located. He stated that the gallon jugs were located in the following described buildings:

Two were located in the Administration Building.

One was located in the Arts and Crafts Building.

Two were located in the kitchen and dining room building.

One was located in the workshop adjacent to the Administration Building.

One was located in a large cabin behind the Administration Building.

One was located in the Hilltop Wash House.

One was located in the wash house near the kitchen.

Investigator [ ] explained that all of the evidence collected was being delivered to the NY State Police Laboratory in Albany, NY, for appropriate examination.

He also pointed out that during the search of the premises and a discussion with the caretaker, HERBERT NICHOLS, it was learned that [ ] sign the paychecks for NICHOLS on Webatuck Camp Corporation checks with an address of 500 West End Avenue, NYC.

NY 62-12699

Investigator [ ] advised that during the search, a document was also located which was entitled, "For the Eighteenth National Convention CP, USA, a Draft Youth Report". This document consisted of approximately 30 pages mimeographed on both sides. Also found was a document entitled, "The Working Class", by GUS HALL, believed to be partially complete and consisting of about 14 pages.

Investigator [ ] further related that several additional documents apparently relating to CP activity was located which he would make available to the FBI.

In addition, he further related that numerous photographs of the property and evidence were taken, copies of which would also be made available to the FBI.

In addition to the above, Investigator [ ] advised that [ ] had discussed his plans of buying or leasing a camp at Hunter, NY, southwest of Catskill Game Farm between Phoenicia and Hunter, NY. According to the caretaker, arrangements were being made in this regard; however, no papers have been signed, as yet.

Contact will be maintained with Investigator [ ] for any new developments in this matter.

In connection with the investigation of the above captioned organization the NYO of the FBI received an anonymous telephone call on 11/3/66, at which time the caller stated:

One Sergeant ENU [REDACTED] or [REDACTED] who was connected with the 101st Cavalry of the 112nd Infantry Division of the National Guard, Manor Road, Staten Island, NY, may be a member of the "Minutemen". He believes [REDACTED] resides somewhere in Huntington, LI, and attends the Monday night meetings of the National Guard at Staten Island.

He believes [REDACTED] may be a member of the "Minutemen", because he allegedly has automatic weapons in his home including machine guns and ammunition as well as some swastika flags from what he has heard from others in the National Guard unit whom he could not recall or refused to identify.

He never spoke to [REDACTED] and only knows him casually.

Honorable J. Edgar Hoover  
Director  
Federal Bureau of Investigation  
Washington, D. C.

Dear Mr. Hoover:

The recent disclosure in newspaper headlines alluded to a large case of arms being discovered in Queens, New York. Among the weapons found were bazookas, grenades, semi-automatic rifles, machine guns, and over one million rounds of ammunition. Concern now arises as to how it is possible to amass such an array of weapons without the knowledge of official law-enforcement agencies since these weapons are of the type and quantity not found in the usual collections of gun collectors nor are they indicative of the kind of firearms sportsmen use.

I respectfully request the F.B.I. to look into this matter to determine whether or not there was any violation of the recently enacted New Jersey Gun Law as it relates to crossing of state lines. Such being the case, a determination perhaps can then be made as to the source of supply of these weapons.

We would be pleased to have a full public disclosure of this incredible news report.

Sincerely yours,

Patriotic Party Convention  
U-Smile Motel  
9701 E. 40 Highway  
Kansas City, Missouri  
July 3, 1966 - 1-4 P.M.

Reverend LE ROY opened the meeting with a prayer, the singing of the "Star Spangled Banner", The Pledge of Allegiance and a stanza from "America The Beautiful".

There were approximately 300 to 350 persons from most states at the first meeting of the convention. About one third of these people were women. Most of the people were from the Mid-West. Kansas, Iowa and Missouri probably having the largest representation.

The first speaker was KENNETH MOORE, Chairman of the party in Arizona, formerly of Pike City, Missouri.

He told a story of which the moral was; don't let an inexperienced pup keep a real tiger from doing it's job. What he was actually saying was the Patriotic Party (hereafter referred to as P.P.) should not have people who don't know exactly what they are doing going off on their own. He said that the P.P. must be "united in thought, united in victory". After his speech he introduced ROBERT B. DE PUGH as one of the most patriotic people in America. MR. DE PUGH received a standing ovation.

Mr. DE PUGH began by welcoming everyone to the convention. At about this time a photographer was stopped from taking moving pictures of the audience. Mr. DE PUGH then announced that the photographer should not do this and that he should not reveal the faces of anyone

NY 62-12699

individual in the audience.

DE PUGH then proceeded to make his speech.

He said that "the U.S. is being led by traitors and is infested by parasites." He was applauded heavily at this point. He went on to say that the people in the audience and patriots everywhere should be prepared to, "pledge your life, pledge your fortunes and to pledge your sacred honor." This incidentally is the motto of the P.P. He continued saying, after a standing ovation, that before the battle is won "many will lose their fortunes, many will lose their lives, but how many will lose their honor?" More applause. "There is no excuse for not being patriots. On the day we fight as hard to win, as the enemy fights to take away, that is the day we start to win. Lets start on July 4, no, lets start on July 3." There was then a standing ovation.

DE PUGH then introduced an anonymous speaker. He was from the Spirit of '76.

He proceeded to say that his organization is an organizational group. He proceeded to give out information on Communism. He said Americans know right from wrong but do nothing about it. He recommended a book by the U. of Penn. library; The Protracted Conflict. He said the basis of Communist power is in Russia.

The basics of Communism are fourfold:

One: Communists approach things indirectly.

Two: Distraction.

Three: Monopoly of Initiative - It is alright for them to create conflicts and riots and to take over

NY 62-12699

governments on this side of the Iron Curtain but we are not allowed to do the same.

Four: Attrition - The Communists cause revolts and revolutions. Russians exploit our weaknesses. He said the Communist ideas stem from the Illuminati in Prussia and that this is the basis for ENGELS theories.

A lot of the people in the audience agreed that this anonymous speaker did a great deal of harm to the convention because of his anonymity and his spouting of unfactual material.

The next speaker was Reverend KENNETH GOFF. He is from Denver.

Sounding like the preacher he is, he said, "the U.S. is hated by men everywhere." He said there is no peace on earth anywhere. The Communists are winning and have won 1/3 of the world in the past 50 years. They have enslaved 1 1/2 billion people. They have killed 20 million Christians and 30 million others. He does not understand why we send men to Viet-Nam when we cannot stop Communism here. At this point he got a standing ovation. He cannot understand why 192 U.S. Supreme Court decisions were in favor of Communism. More applause. He wants to rid the U.S. of the Supreme Court. He said he was asked by a parishioner of his, "Since you are a Reverend, dedicated to God, would you take up arms to defend the country?" The reverend answered, "I would take up arms if the Communists take over or if the U.N. tries to subvert us." More applause. He said that 125 million Russians lost their church and 23 million Russians were killed. (He said previously that 20 million Christians were killed). He said that clergymen should not leave their church to march with draft dodgers in Selma, Alabama. More applause. "The clergy should preach to get us out of the U.N." He said we are on the way up as of today. More

NY 62-12699

applause. He said that President Johnson has "Fabian-Socialist cohorts". "He has as much power today as King George had in 1776. I am afraid." He said that, "the 1912 blueprint for the Fabian government takeover that is going on today is a 'love sotry' entitled, 'Start of Tomorrow', by E. Mandel House, writing under an assumed name. House was at a world conference in Brussels in 1909 where he got his ideas. After W.W.I, the Communists started to infiltrate the church, labor and education. In 1928 Comm. was on the way out. In 1932 Communists took over the Democratic Party. The party nominated F.D.R. After the nomination, F.D.R. immediately flew to see W. Mandel House; he made the statement, 'we planned it this way'. After being elected, F.D.R. recognized Russia and built Stalin from a bank - robber and murderer to a statesman. We sold Chaing Kai Shek after selling out Eastern Europe. We got into the U.N. and got 1/3 of the world into Communism. They now sought to get into the Republican Party. There is now no difference between Democrats and a Javits." More applause at this point. He said, we are running all over the world but if we lost to Communism here the world will be in the dark ages again.

"Julius Caesar" Mc Namara wants to disarm the U.S. while we are at war." "Anyone running for office who doesn't denounce the U.N. is working for two parties." "We can run out bureaucratic parasites from the Capitol." "Socialism is taking over the states' rights." "Two political parties are brainwashing the U.S. people." "We are afraid to say the word, American." "It's time we had a political party stamped, 'made in the U.S.A.'"

There were no further speakers in the first session of the convention. It was announced that the second meeting will convene at seven P.M. to sort out the various members from various states and to organize them into separate meetings in the motel rooms so they can choose

NY 62-12699

state chairmen from the P.P. and to arrange for the area conventions on August 6 & 7, 1966. State conventions will be held in September.

At 1:30 PM the convention started. The chairman was THOMAS HART of Milford, Conn.

There were six Telephone Co. public address hookups; one each to the six convention cities.

The meeting was opened with the singing of the "Star Spangled Banner" and the "Pledge of Allegiance".

HART then asked the other cities to make contact with D.C. One by one, the various cities came over the loud speakers. They each gave their attendance figures:

Chicago	-	300
Seattle	-	200
Scottsdale	-	200
Dallas	-	200
Montgomery	-	no figures avail.
Washington, D.C.	-	69

DE PUGH was the first one to speak from D.C. His speech was very similar to the speech he made at the K.C. Convention. He said that the American Indians lost to the white man because they were disorganized and fought amongst themselves.

He said that the Republican Party elected a President six years after its formation. He said the Patriotic Party could do the same.

NY 62-12699

The next speaker was RICHARD COTTON from Montgomery. He said that U.S. Foreign Policy is no good. He said we trade with countries like England who then trade with N. Viet Nam. He said we are actually financing both sides of the war.

He said he wants to know why we are trying to get rid of commies in Viet-Nam when we don't get rid of them in Cuba.

He received a lot of applause.

The next speaker was unidentified due to static on the P.A. system.

He said he lived in Cuba and was a prisoner of CASTRO. He gave examples of CASTRO's "justice".

He said three of BATISTA's fliers were tried and acquitted by CASTRO's courts. CASTRO demanded that they be tried again. This time they were found guilty and shot. He said that the U.S. said nothing about this. He stated that that is one of the reasons Viet-Nam (N.) could try American fliers as war criminals.

He said that the Catholic Church in Cuba praises CASTRO even though CASTRO vows to rid Cuba of the Church.

He said that the U.S. protects CASTRO and the refineries in Cuba.

He stated that there are certain people in Miami who are not allowed to leave the city.

NY 62-12699

The next speaker was Rev. GOFF. He spoke from Arizona. His speech was virtually the same as the one he made in K.C. including the jokes.

He added however, that we are in the middle of a civil war. He said that there were nearly 700 people in K.C. who were there to "bring America back to its moorings."

He said also that M.L. KING was working for a "super world gov't", planning to do away with America's freedoms.

He also stated that Governor WALLACE should be in the White House and that we should get out of the U.N.

He also said that if we fight commies in Vietnam why do we allow them on the Supreme Court and in our schools, churches. He said Communism is only 90 mi. from our shores. He said we could wipe out the bearded idiot in 48 hours.

He said to look at Presidential executive orders and see plans for takeover of farms, factories, transportation. "We are on our way toward a dictatorship".

Another speaker was MR. TIMBERS or TIBBERS from Seattle. He made a short speech.

He said that the U.S. Gov't is getting more centralized and that it is giving more and more services.

He said that he will bring up a resolution to merge his Conservative Party with the Patriotic Party.

WALTER PEYSON then spoke. He gave exactly almost word for word, the same speech as he gave in K.C.

NY 62-12699

At the end of the meeting at about 8:30 P.M. state meetings were organized to pick a chairman for the state convention on Sept. 6. The [redacted] meeting never got under way. In order to find out who the [redacted] State Chairman is, one must write to Party H.Q. in Mo.

There were people there from [redacted] and possibly other states.

Some of the people here were present in K.C. None of these people were identified.

MINUTEMEN  
INFORMATION CONCERNING  
(INTERNAL SECURITY)

Follow closely and report to the Bureau all information regarding the arrests of the 24 individuals, who are allegedly Minutemen, by the Queens County District Attorney's office.

Through sources available to you every effort should be made to determine if all of the individuals arrested are members of the Minutemen organization. Furnish the Bureau with identifying data on each individual arrested so that an appropriate indices check may be made at the Bureau. As the 24 individuals are currently under local arrest, an interview of them should be held in abeyance at the present time and their membership in the Minutemen organization should be proved or disproved through other investigation.

Interview Queens County District Attorney, Nat Hentel, for information he has concerning the plot to bomb "leftist" camps, activities of the Minutemen, and any information where the Minutemen obtained the weapons that were confiscated. Hentel should be advised of the Bureau's interest in possible violations of laws which would fall within the Bureau's jurisdiction, such as Title 18, USC, Section 641, Theft of Government Property, and Title 18, USC, Section 837, Civil Rights Act of 1960.

New York should intensify efforts to afford more detailed coverage to the Minutemen organization by establishing informants in this organization.

1.

CAMP WEBATUCK, Formerly known as  
Camp Calumet; Wingdale Camp, Inc.;  
Wingdale Lodge, Inc.; Camp Unity;  
Wingdale on the Lake

On May 27, 1953, a source advised that Camp Unity has been controlled by the Communist Party (CP) since its inception in 1929 or 1930.

On April 24, 1956, a second source furnished an undated flyer entitled "The Wingdaler" published by Wingdale on the Lake. This flyer reflected that Wingdale on the Lake occupied the same site as was formerly occupied by Camp Unity.

On June 7, 1956, [redacted] Office of the Secretary of State, New York State, reviewed his records and advised SA [redacted] that Wingdale Camp, Incorporated, filed a certificate of incorporation number 6036 with his department on February 9, 1956.

On April 27, 1956, a third source advised that regardless of the name it uses the camp is always referred to as Camp Unity by the CP and that captioned organization was and still is a joint operation by the National Office of the CP and the New York State CP.

On November 13, 1962, the third source above advised that the CP has taken complete control of the camp and the camp will be essentially a youth camp in the future.

The "National Guardian" December 6, 1962, contained an advertisement on page 10 entitled "Announcing Camp Webatuck."

The advertisement reflected the camp located at Lake Ellis, Wingdale, New York, is a camp for boys and girls from 7 to 16 plus.

The advertisement indicated that registration for the camp could be made at its office, 505 Fifth Avenue, Suite 705, New York 17, New York, telephone number MU 7-0586.

## Play-Soldiers Up to Their Old Tricks

IT HAD BEEN NEARLY a year since I heard much noise from Minutemen in this area. As they fell deeper and deeper into disrepute, they became quieter and quieter. They began talking only to each other, which may not be such a good thing.

But a rumble that began in Florida Oct. 27 might build to a bang in Orange County if an FBI informant is telling the right story. It's a fantastic yarn, but just harebrained enough to appeal to the nuts in the private armies.

The informant told agents at the FBI's South-Georgia-Florida field-office "a group" had purchased illegal arms worth between \$850,00 and \$1 million. (Illegal weapons are fully-automatic firearms, high explosives, bazooka projectiles, all the favorite playthings of groups like the Minutemen and the California Rangers.)

The weapons had been brought into the country "underwater," the informant said. There's no explanation of what that means. The plan, he said, was to fly the arms to Southern California in a World War II B-17 owned by the play-soldiers. Ultimately, they would be taken to a large group of Minutemen in Orange County — a group which he understood was made up largely of "respectable" types such as doctors, lawyers and businessmen.

Finally, the B-17 was to be crashed, possibly to collect on a fat insurance policy, although the informant was not sure of the reason for the spectacular finish.

**THE INSIDER TOLD** his story just three days before New York police arrested 20 Minutemen who were said to be on their way to blow up three East Coast recreational camps which the MM's believed were affiliated with left-wing elements.

Three days after the New York raids, Los Angeles County Assistant District Attorney Lynn D. Compton, formerly head of the Long Beach DA's office, flew east to discuss some Southern California names that cropped up in the raids and subsequent investigation. Police in Southern California still don't know what names they were.

The confidential FBI memo, in which the Florida informant's sketchy story is contained, warns that the tale has not been verified and apparently no later information has been developed.

My wild guess is that the story is true, but exaggerated. They probably won't crash that airplane at all.

★ ★ ★

**AS THIS IS WRITTEN**, a record voter turnout is developing in Los Angeles County. Politicians and editorial writers complain that not enough voters go to the polls, but I disagree. In every election, too many people vote. I wish some of the voters would stay home, because their qualifications to cast a ballot are only technical.

These are the ignorant citizens who just don't know what it's all about, and an uninformed voter is a dangerous one. There is little excuse for his ignorance. He could have read newspapers and magazines. He could at least have studied the booklet provided with his sample ballot, which provides legislative analysis of propositions and arguments for and against them.

I talked with a woman Monday who had just made up her mind on a choice for governor. But she wasn't sure who was running for the other offices, knew nothing of their background or positions on issues, and admitted she didn't understand any of the ballot propositions.

The polls would open in less than 24 hours, and she would vote, as would thousands who knew as little as she. At the worst, they might help to pass bad laws or elect venal or incompetent men. At best, they would abuse and pervert the democratic process.

I like to see a record voter turnout, too. But I wish the people who are too lazy to read, listen, ask questions and think were also too lazy to go to the polls.

A characterization of the "Minutemen" appears in the Appendix attached hereto. Sources mentioned therein have furnished reliable information in the past.

On October 31, 1966, a confidential source advised Philip Bart was known to have told Arnold Johnson on October 31, 1966, that Congressman Henry Gonzalez, 20th District, San Antonio, Texas, had mentioned in the past the threat of the "Minutemen". Statements made by Gonzalez appear in the Congressional Record June 15, 1965, Pages 13-71, which reflect that the Defense Department has been supplying arms to them. Bart also remarked "by the way, according to that story (J. Edgar) Hoover knows about (Robert B.) De Pugh and he is quoted in there about that".

"The Worker" edition of September 22, 1964, Page 7, Columns 1 and 2 contained an article that refers to Arnold Johnson as the National Public Relations Director of the Communist Party.

"The Worker" is an east coast Communist newspaper.

On July 14, 1965, a second confidential source identified Philip Bart as being Chairman of the Ohio Communist Party at that time.

"Minutemen"

On October 30, 1966, the New York City Police Department (NYCPD), under the direction of the District Attorney's Office, Queens County, New York, arrested 19 alleged members of the "Minutemen".

A characterization of the "Minutemen" appears in the Appendix attached hereto.

On October 30, 1966, Chief Assistant District Attorney Howard F. Cerny advised the New York Office of the Federal Bureau of Investigation (FBI) the persons arrested would be charged with "Conspiracy to Commit Arson", and "Public Law 1897-Sullivan Law" (Illegal Possession of Firearms).

On November 2, 1966, a representative of the NYCPD advised that on October 31, 1966, the 19 defendants appeared before the Honorable Bernard Dubin, Queens County Criminal Court, Kew Gardens, New York, for arraignment at which time bail was set. (The amount of bail set is shown after the descriptive data of the individual which is set forth below).

The "New York Times", a New York City daily newspaper, late city edition, dated November 1, 1966, contained an article on page 1 captioned "Bail Set for 19 Here in Alleged Fire Plot by Minutemen Unit", which reflects in part as follows:

"Nineteen men were held in \$1,000 to \$7,500 bail each - a total of \$81,000 - in an alleged conspiracy by an anti-communist Minutemen group to commit arson with firebombs. A hearing in Queens Criminal Court was set for Nov. 22.

"District Attorney Nat H. Hentel of Queens said that three teams of Minutemen had four targets for fire-bombing last Sunday.

"He identified these as the former Camp Unity at Wingdale, New York; Camp Midvale, near the Wanaque Reservoir in New Jersey; a 'pacifist camp' at Voluntown, Conn., and the Brooklyn campaign headquarters of Herbert Aptheker, a Communist running as the Peace and Freedom candidate for Congress."

Camp Unity is also known as Camp Webatuck. A characterization of Camp Webatuck is attached in the Appendix hereto.

A characterization of Camp Midvale is contained in the characterization of the Metropolitan Recreation Association (MRA), which is attached in the Appendix hereto.

On November 3, 1966, Roy Van Tassel, Chief of Police, Ringwood, New Jersey, advised that on November 1, 1966, he had made an examination of the building at Camp Midvale and found no bombs.

On November 3, 1966, Lieutenant [REDACTED] Office of Connecticut State Police Commissioner, Leo Mulcahy, Hartford, Connecticut, advised that officers of the Committee of Non-Violent Action Camp, Voluntown, Connecticut, were contacted that date by Connecticut State Police and a search was made of the premises, but no bombs were located.

On November 7, 1966, a second confidential source, who is in a position to furnish reliable information, advised that as a result of a complete and thorough search of Camp Webatuck by the New York State Police on November 2, 1966, and after, they had located a total of ten incendiary devices. All of these devices consisted of gallon jugs, each half filled with gasoline. As detonators, two of the jugs had homemade blasting caps attached to four flashlight batteries and a cheap pocket watch so that the movement of the hands of the watch would make contact, setting off the blasting caps.

The remaining eight jugs each had a candle inserted in the neck of the jug with a nail through each candle in order to prevent the candle from falling into the jug. There was a wick or cotton streamer also extending from the candle downward into the jug and its gasoline. In addition, floating on the gasoline inside each of these eight jugs was a small piece of foam rubber containing a bullet of unknown calibre.

A third confidential source, who is in a position to know, advised on November 7, 1966, that all of the 19 persons arrested on October 30, 1966, are known to be members of the "Minutemen".

On October 31, 1966, Lieutenant Colonel Richard B. Snyder, Operations Officer, 108th Military Intelligence Group, New York, New York, advised that included in the ammunition seized at the time of arrest of the "Minutemen", were fifteen sealed or bolted wooden ammunition, or metal containers including two wooden boxes each containing 480 cartridges of small arms ammunition calibre 30 marked Lot WRA 23452. 1.

NATIONAL RENAISSANCE PARTY

On May 19, 1965, a source stated that the National Renaissance Party (NRP) is an anti-Semitic, anti-Christian, anti-Negro, and neo-Fascist organization with activities generally confined to the New York City area. It was founded in 1949 by James H. Madole, who is in complete control of the Party. The Party's main function is distribution of the "National Renaissance Bulletin" on a bi-monthly basis and distribution of pro-Arab literature obtained from official Arab establishments in New York City.

The source further stated that the headquarters for the NRP is located in the residence of James H. Madole at 10 West 90th Street, New York City.

On March 4, 1965, Robert Joseph Burros, 215 First Street, Newburgh, New York, advised that he is the National Secretary of the NRP and as such is second in command to James H. Madole, National Director. Mr. Burros stated that the NRP is a fascist organization but that it operates openly. He stated that the NRP advocates the use of the ballot in order to win a national election and take over the government. If the NRP should gain power it would then proceed to change the constitution in a legal way in order to give it the right to use militant means in dealing with those who would seek to overthrow this democracy such as the Communist Party.

The Un-American Activities Committee of the United States House of Representatives in a Preliminary Report dated December 17, 1954, stated that NRP activity and propaganda are clearly subversive and un-American.

On September 29, 1964, a second source advised that on July 16, 1964, James H. Madole, National Director of the NRP, was sentenced to two years in jail following his conviction on a charge of riot.

~~CONFIDENTIAL~~

(u)

~~CONFIDENTIAL~~APPENDIX2.NATIONAL RENAISSANCE PARTY

Subsequent to July 16, 1964, all activities of the NRP appeared to have been suspended. As of September 29, 1964, James H. Madole was free on bail pending an appeal on his conviction and sentencing on July 16, 1964. This source advised that the NRP would not be reactivated by Madole who feared that such reactivation might jeopardize his appeal.

On May 18, 1965, Detective  Bureau of Special Services, New York City Police Department, advised that on May 15, 1965, he had been informed by James H. Madole that his appeal would be heard sometime in early September, 1965. Madole further stated future activities of the NRP would depend on the outcome of that appeal. Should he win his appeal, Madole stated there could be an expected increase in NRP activities. Should he lose, there will not be any activity since he will be sent to jail. Madole stated there will be no real NRP activity until the status of his appeal is determined in September, 1965.

SUBJECT: MINUTEMEN  
INFO CONCERNING

On 11/7/66, [REDACTED] Bureau of Special Services, NYCPD, advised that newspaper accounts that the Minutemen planned to blow up the United Nations building in NYC must have emanated from the office of District Attorney NAT HENTEL, Queens County, NYC.

[REDACTED] stated that their coverage of Minutemen activities in the NYC area did not develop any information concerning destruction of the UN. He further stated that he did not know what basis HENTEL had for making such statements to the press since BSS furnished no such information to him.

On 11/9/66, Sgt. [REDACTED] BSS, NYCPD, advised that HENTEL's statement to the press regarding communication liaison between MINUTEMEN groups in 7 different states likewise emanated from HENTEL's office. He advised that anyone who is familiar with the Minutemen operation knows that the NYC group has had contact with national headquarters in Missouri, held a regional conference in Washington, D.C. this past summer and has had contact with individuals in Connecticut alleged to be members of the Minutemen. However all newspapers accounts regarding the 7 states came from HENTEL's office and the basis for such a statement is unknown to BSS.

Concerning the newspaper accounts regarding the possession of 2 20mm mortars stolen from a Railway Express office with a supply of ammunition for same, Sgt. [REDACTED] stated that there was some communication between members regarding at about the time such mortars were stolen from a Railway Express office in upstate New York and subsequently used in a burglary of a Brinks office in upstate New York. However there is no evidence that the Minutemen were perpetrators of this burglary or were involved in any way in the subsequent Brinks burglary. Sgt. [REDACTED] again pointed out that most of the newspaper releases in question emanated from HENTEL's office and BSS has no control over his actions.
